If you're looking to be close to the lake with your own secluded getaway, this is the place for you! With plenty of trees between you and the neighbors, you'll feel like you're in your very own oasis. This land has everything you could ask for in a lake property, your own private pond that's stocked full every year AND two separate ponds that only residents can access, and don't forget the Guy Sandy boat dock just a short drive away! Leaving the office after a long day and coming home to a secluded, tranquil place is exactly what you need, look no further! Investors, if you're looking to build an income property to rent out nightly, this is the perfect place! Whatever your dream may be, this beautiful piece of land has you covered. Call today for a private showing.
